Mirrors & Bath Cabinets

Innovative product features that have firmly established Robern as an industry leader in the personal vanity environment include:

- Interior Electrical Outlets for recharging of electrical devices, such as razors and cell phones.
- Door Defoggers eliminate the need for constant wiping of the mirror every morning due to condensation.
- Lighting Solutions create a cabinet area environment that works best for the end user.
- Mirrored Interiors speed up grooming.
- Safety Lock Boxes secure prescriptions from reach of children and protects jewelry from theft.
- SAFESEAL™ Gasketed frame protects the user from sharp cabinet edges and prevents dirt and moisture from entering the cabinet.
